

# SCHOOL BASED MEDICAL / DENTAL CENTERS ENROLLMENT FORM & INFORMATION

## Dear Parent/Guardian:

As a student in the Caroline & Talbot County Public School systems, your child has access to the Choptank Community Health SCHOOL BASED HEALTH & DENTAL CENTERS.

The mission of the Centers is to **improve the health of students and faculty, increase access to primary health care and decrease time lost from school by providing care** within the school setting. We are a **convenient source of quality health care** that works in collaboration with your child's doctor and the school nurse.

Choptank Community Health recognizes the connection between health and positive academic outcomes. CCHS is pleased to partner with the Caroline County Public Schools and Caroline County Health Department to ensure that students are healthy and ready to learn.

## SERVICES AVAILABLE IN THE SCHOOL BASED HEALTH CENTERS

Congestion	Cough	Earaches
Headaches	Follow-up Health Care	Referrals to Specialists
Health Risk Assessments	Health Education	Pain or Injuries
Skin Itch/Rash	Prescriptions	Shortness of Breath
Sore Throat Evaluation	Physicals	Nausea /Vomiting Evaluation
Strep Throat Tests	Sports Physicals	Blood Pressure Screenings

Your child can receive medical treatment right at school! There is no need to take time off from work to take your child to the doctor and/or travel to/from school, home and an off-site medical facility. These licensed medical providers can:

assess patients	diagnose illnesses
write prescriptions	provide medications in school
perform lab tests	discuss healthy choices

## SERVICES AVAILABLE IN THE SCHOOL BASED DENTAL PROGRAMS

As a student in the **Caroline, Dorchester and Talbot** County Public School system, your child has access to the **School Based Dental Program**. The program is a partnership between the Public Schools, County Health Departments and Choptank Community Health System (CCHS).

### Services may include:

Dental screening	Polishing/cleaning	Fluoride (may be applied twice)
Dental Sealants	Oral Health Education	Dental emergency referrals

**The School Based Dental program does not take the place of your primary dentist.** A dental hygienist will screen your child to determine which services will be provided or if a referral is necessary. The hygienist provides care in the school setting that promotes healthy teeth and gums. Your child should go to your dental office for a complete exam with x-rays as often as recommended by your dentist.

## ADDITIONAL INFORMATION

The mission of the Centers is to **improve the health of students and faculty, increase access to primary health care** and **decrease time lost from school by providing care** within the school setting. We are a **convenient source of quality health care** that works in collaboration with your child's doctor and the school nurse.

Choptank Community Health recognizes the connection between health and positive academic outcomes. CCHS is pleased to partner with the local Public Schools and Health Departments to ensure that students are healthy and ready to learn.

**SERVICES:** In addition to the services mentioned above, SBHC providers can assist in managing chronic illnesses, conduct *Healthy Child Chats*, provide health education, referrals to specialists and sports physicals for school endorsed sports. Whenever your child is seen by the Health Center staff, a note is sent home that details the visit. Additionally, a report on the visit is shared with your child's primary health care provider.

**COST:** Federal and state regulations require all providers, including Choptank Community Health (CCHS), to bill all patients for School Based Health Center program services. The Medicaid programs cover School Based Health Center charges. If your child has health insurance, we will bill the insurance company for health services and follow the billing requirements associated with your plan. Depending on your insurance plan, you may receive a bill from CCHS for copays, unmet deductibles and any non-covered services. If CCHS is not a participating provider with your insurance plan, you will be billed directly for services. If you do not have insurance, we offer a sliding fee scale. Patients on the sliding fee scale will be billed based upon their income. All patients are eligible to apply for the sliding fee program even if they have insurance. Finally, the cost associated with lab services will be billed to your insurance. Bills for these tests will come directly from the lab company.

**ENROLLMENT:** All Public-School students can enroll in the program. Please complete the attached enrollment form. Return it to the school nurse or the Health Center. Once your child is enrolled in the Health Center, they will not need to re-enroll each year.

If you have any questions about the program, please contact CCHS at (410) 479-4306, ext. 5012.
